

The Journal OF THE *House of Representatives*

Number 24

Thursday, February 23, 2012

The House was called to order by the Speaker at 1:00 p.m.

Prayer

The following prayer was offered by the Reverend Greg James of The Life Church of Tallahassee, upon invitation of Rep. A. Williams:

Our loving Father, from Your hands has come this day. From Thee we look, God, to the good state of Florida. We repent and we admit that we're not satisfied with our state condition, as it threatens to fall beneath the standards of Your kingdom.

We realize that we stand surrounded by mountains of promises of prosperity, but yet there's still those who dwell in the valley of poverty. But we thank You today, God, for the leadership that You have chosen for these trying times. We thank You for our Governor. We thank You for each State Representative—every office that embodies this government, whether it's the office of the cook or the Office of the Clerk.

We ask today that You cause ideas of justice and become the real possessions for these, our representatives. Help them to see that whatever the conditions are of this state that none of us are innocent bystanders.

Help us as men and women of authority. Help us to make decisions that will give glory to You. And God, help us to remember the least and the last. When we are in the shelters of our home, help us to remember the homeless. When we're receiving the best of healthcare, help us to remember the uninsured sick. When we're writing the credentials of education, help them to remember the rising cost of tuition.

We thank You today, that You will always bring to our mind the least of these. With these words, God, we release Your authority in this place and throughout this nation, today and forevermore. In Jesus' name, Amen.

CS/HJR 55—A joint resolution proposing an amendment to Section 4 of Article VII of the State Constitution to authorize counties and municipalities to limit the assessed value of the homesteads of certain low-income senior citizens.

Be It Resolved by the Legislature of the State of Florida:

That the following amendment to Section 4 of Article VII of the State Constitution is agreed to and shall be submitted to the electors of this state for approval or rejection at the next general election or at an earlier special election specifically authorized by law for that purpose:

ARTICLE VII

FINANCE AND TAXATION

SECTION 4. Taxation; assessments.—By general law regulations shall be prescribed which shall secure a just valuation of all property for ad valorem taxation, provided:

(a) Agricultural land, land producing high water recharge to Florida's aquifers, or land used exclusively for noncommercial recreational purposes may be classified by general law and assessed solely on the basis of character or use.

(b) As provided by general law and subject to conditions, limitations, and reasonable definitions specified therein, land used for conservation purposes shall be classified by general law and assessed solely on the basis of character or use.

(c) Pursuant to general law tangible personal property held for sale as stock in trade and livestock may be valued for taxation at a specified percentage of its value, may be classified for tax purposes, or may be exempted from taxation.

(d) All persons entitled to a homestead exemption under Section 6 of this Article shall have their homestead assessed at just value as of January 1 of the year following the effective date of this amendment. This assessment shall change only as provided in this subsection.

(1) Except as provided in paragraph (2), assessments subject to this subsection shall be changed annually on January 1 ~~1st~~ of each year; but those changes in assessments shall not exceed the lower of the following:

a. Three percent ~~(3%)~~ of the assessment for the prior year.

b. The percent change in the Consumer Price Index for all urban consumers, U.S. City Average, all items 1967=100, or successor reports for the preceding calendar year as initially reported by the United States Department of Labor, Bureau of Labor Statistics.

(2) The legislature may, by general law, allow counties or municipalities, for the purpose of their respective tax levies and subject to the provisions of general law, to limit assessments on homestead property subject to the additional homestead tax exemption under Section 6(d) to the assessed value of the property in the prior year if the just value of the property is equal to or less than one hundred fifty percent of the average just value of homestead property within the respective county or municipality. The general law must allow counties and municipalities to provide this limitation by ordinance adopted in the manner prescribed by general law, specify the state agency designated to calculate the average just value of homestead property within each county and municipality, and provide that such agency annually supply that information to each property appraiser. The calculation shall be based on the prior year's tax roll of each county.

~~(3)(2)~~ No assessment shall exceed just value.

~~(4)(3)~~ After any change of ownership, as provided by general law, homestead property shall be assessed at just value as of January 1 of the following year, unless the provisions of paragraph ~~(9) (8)~~ apply. Thereafter, the homestead shall be assessed as provided in this subsection.

~~(5)(4)~~ New homestead property shall be assessed at just value as of January 1 ~~1st~~ of the year following the establishment of the homestead, unless the provisions of paragraph ~~(9) (8)~~ apply. That assessment shall only change as provided in this subsection.

~~(6)(5)~~ Changes, additions, reductions, or improvements to homestead property shall be assessed as provided for by general law; provided, however, after the adjustment for any change, addition, reduction, or improvement, the property shall be assessed as provided in this subsection.

~~(7)(6)~~ In the event of a termination of homestead status, the property shall be assessed as provided by general law.

~~(8)(7)~~ The provisions of this amendment are severable. If any of the provisions of this amendment shall be held unconstitutional by any court of

competent jurisdiction, the decision of such court shall not affect or impair any remaining provisions of this amendment.

~~(9)(8)~~a. A person who establishes a new homestead as of January 1, 2009, or January 1 of any subsequent year and who has received a homestead exemption pursuant to Section 6 of this Article as of January 1 of either of the two years immediately preceding the establishment of the new homestead is entitled to have the new homestead assessed at less than just value. If this revision is approved in January of 2008, a person who establishes a new homestead as of January 1, 2008, is entitled to have the new homestead assessed at less than just value only if that person received a homestead exemption on January 1, 2007. The assessed value of the newly established homestead shall be determined as follows:

1. If the just value of the new homestead is greater than or equal to the just value of the prior homestead as of January 1 of the year in which the prior homestead was abandoned, the assessed value of the new homestead shall be the just value of the new homestead minus an amount equal to the lesser of \$500,000 or the difference between the just value and the assessed value of the prior homestead as of January 1 of the year in which the prior homestead was abandoned. Thereafter, the homestead shall be assessed as provided in this subsection.

2. If the just value of the new homestead is less than the just value of the prior homestead as of January 1 of the year in which the prior homestead was abandoned, the assessed value of the new homestead shall be equal to the just value of the new homestead divided by the just value of the prior homestead and multiplied by the assessed value of the prior homestead. However, if the difference between the just value of the new homestead and the assessed value of the new homestead calculated pursuant to this sub-subparagraph is greater than \$500,000, the assessed value of the new homestead shall be increased so that the difference between the just value and the assessed value equals \$500,000. Thereafter, the homestead shall be assessed as provided in this subsection.

b. By general law and subject to conditions specified therein, the Legislature shall provide for application of this paragraph to property owned by more than one person.

(e) The legislature may, by general law, for assessment purposes and subject to the provisions of this subsection, allow counties and municipalities to authorize by ordinance that historic property may be assessed solely on the basis of character or use. Such character or use assessment shall apply only to the jurisdiction adopting the ordinance. The requirements for eligible properties must be specified by general law.

(f) A county may, in the manner prescribed by general law, provide for a reduction in the assessed value of homestead property to the extent of any increase in the assessed value of that property which results from the construction or reconstruction of the property for the purpose of providing living quarters for one or more natural or adoptive grandparents or parents of the owner of the property or of the owner's spouse if at least one of the grandparents or parents for whom the living quarters are provided is 62 years of age or older. Such a reduction may not exceed the lesser of the following:

(1) The increase in assessed value resulting from construction or reconstruction of the property.

(2) Twenty percent of the total assessed value of the property as improved.

(g) For all levies other than school district levies, assessments of residential real property, as defined by general law, which contains nine units or fewer and which is not subject to the assessment limitations set forth in subsections (a) through (d) shall change only as provided in this subsection.

(1) Assessments subject to this subsection shall be changed annually on the date of assessment provided by law; but those changes in assessments shall not exceed ten percent ~~(10%)~~ of the assessment for the prior year.

(2) No assessment shall exceed just value.

(3) After a change of ownership or control, as defined by general law, including any change of ownership of a legal entity that owns the property, such property shall be assessed at just value as of the next assessment date. Thereafter, such property shall be assessed as provided in this subsection.

(4) Changes, additions, reductions, or improvements to such property shall be assessed as provided for by general law; however, after the adjustment for any change, addition, reduction, or improvement, the property shall be assessed as provided in this subsection.

(h) For all levies other than school district levies, assessments of real property that is not subject to the assessment limitations set forth in subsections (a) through (d) and (g) shall change only as provided in this subsection.

(1) Assessments subject to this subsection shall be changed annually on the date of assessment provided by law; but those changes in assessments shall not exceed ten percent ~~(10%)~~ of the assessment for the prior year.

(2) No assessment shall exceed just value.

(3) The legislature must provide that such property shall be assessed at just value as of the next assessment date after a qualifying improvement, as defined by general law, is made to such property. Thereafter, such property shall be assessed as provided in this subsection.

(4) The legislature may provide that such property shall be assessed at just value as of the next assessment date after a change of ownership or control, as defined by general law, including any change of ownership of the legal entity that owns the property. Thereafter, such property shall be assessed as provided in this subsection.

(5) Changes, additions, reductions, or improvements to such property shall be assessed as provided for by general law; however, after the adjustment for any change, addition, reduction, or improvement, the property shall be assessed as provided in this subsection.

(i) The legislature, by general law and subject to conditions specified therein, may prohibit the consideration of the following in the determination of the assessed value of real property used for residential purposes:

(1) Any change or improvement made for the purpose of improving the property's resistance to wind damage.

(2) The installation of a renewable energy source device.

(j)(1) The assessment of the following working waterfront properties shall be based upon the current use of the property:

a. Land used predominantly for commercial fishing purposes.

b. Land that is accessible to the public and used for vessel launches into waters that are navigable.

c. Marinas and drystacks that are open to the public.

d. Water-dependent marine manufacturing facilities, commercial fishing facilities, and marine vessel construction and repair facilities and their support activities.

(2) The assessment benefit provided by this subsection is subject to conditions and limitations and reasonable definitions as specified by the legislature by general law.

BE IT FURTHER RESOLVED that the following statement be placed on the ballot:

CONSTITUTIONAL AMENDMENT ARTICLE VII, SECTION 4

ASSESSMENT OF HOMESTEAD PROPERTY OWNED BY LOW-INCOME SENIOR CITIZENS.—Currently, counties and municipalities may grant an additional homestead exemption to a person who is 65 years of age or older and who has a low household income as defined by general law. This proposed amendment to the State Constitution authorizes counties and municipalities to limit the assessments of the homesteads of persons receiving such additional exemption to the assessed value of the property in the prior year if the just value of the property is equal to or less than 150 percent of the average just value of homestead property in the respective county or municipality. As such, if authorized by a county or municipality, these individuals will not be required to pay more county or municipal ad valorem taxes than they paid in the prior year solely due to an increase in value of their homestead property that does not result in the value of the property exceeding the average just value of homestead property in the county or municipality by more than 150 percent.

CS/HJR 169—A joint resolution proposing an amendment to Section 6 of Article VII of the State Constitution to authorize the Legislature, by general law, to allow counties and municipalities to grant an additional homestead tax exemption equal to the assessed value of homestead property, if the property has a just value lower than a specified amount, to an owner who has maintained permanent residency on the property for a specified duration, who has attained age 65, and whose household income does not exceed a specified amount.

Be It Resolved by the Legislature of the State of Florida:

That the following amendment to Section 6 of Article VII of the State Constitution is agreed to and shall be submitted to the electors of this state for approval or rejection at the next general election or at an earlier special election specifically authorized by law for that purpose:

ARTICLE VII

FINANCE AND TAXATION

SECTION 6. Homestead exemptions.—

(a) Every person who has the legal or equitable title to real estate and maintains thereon the permanent residence of the owner, or another legally or naturally dependent upon the owner, shall be exempt from taxation thereon, except assessments for special benefits, up to the assessed valuation of twenty-five thousand dollars and, for all levies other than school district levies, on the assessed valuation greater than fifty thousand dollars and up to seventy-five thousand dollars, upon establishment of right thereto in the manner prescribed by law. The real estate may be held by legal or equitable title, by the entireties, jointly, in common, as a condominium, or indirectly by stock ownership or membership representing the owner's or member's proprietary interest in a corporation owning a fee or a leasehold initially in excess of ninety-eight years. The exemption shall not apply with respect to any assessment roll until such roll is first determined to be in compliance with the provisions of section 4 by a state agency designated by general law. This exemption is repealed on the effective date of any amendment to this Article which provides for the assessment of homestead property at less than just value.

(b) Not more than one exemption shall be allowed any individual or family unit or with respect to any residential unit. No exemption shall exceed the value of the real estate assessable to the owner or, in case of ownership through stock or membership in a corporation, the value of the proportion which the interest in the corporation bears to the assessed value of the property.

(c) By general law and subject to conditions specified therein, the Legislature may provide to renters, who are permanent residents, ad valorem

tax relief on all ad valorem tax levies. Such ad valorem tax relief shall be in the form and amount established by general law.

(d) The legislature may, by general law, allow counties or municipalities, for the purpose of their respective tax levies and subject to the provisions of general law, to grant either or both of the following ~~an~~ additional homestead tax exemptions:

(1) An exemption not exceeding fifty thousand dollars to any person who has the legal or equitable title to real estate and maintains thereon the permanent residence of the owner and who has attained age sixty-five and whose household income, as defined by general law, does not exceed twenty thousand dollars; or-

(2) An exemption equal to the assessed value of the property to any person who has the legal or equitable title to real estate with a just value less than two hundred and fifty thousand dollars and who has maintained thereon the permanent residence of the owner for not less than twenty-five years and who has attained age sixty-five and whose household income does not exceed the income limitation prescribed in paragraph (1).

The general law must allow counties and municipalities to grant ~~this~~ these additional ~~exemptions~~ exemption, within the limits prescribed in this subsection, by ordinance adopted in the manner prescribed by general law, and must provide for the periodic adjustment of the income limitation prescribed in this subsection for changes in the cost of living.

(e) Each veteran who is age 65 or older who is partially or totally permanently disabled shall receive a discount from the amount of the ad valorem tax otherwise owed on homestead property the veteran owns and resides in if the disability was combat related, the veteran was a resident of this state at the time of entering the military service of the United States, and the veteran was honorably discharged upon separation from military service. The discount shall be in a percentage equal to the percentage of the veteran's permanent, service-connected disability as determined by the United States Department of Veterans Affairs. To qualify for the discount granted by this subsection, an applicant must submit to the county property appraiser, by March 1, proof of residency at the time of entering military service, an official letter from the United States Department of Veterans Affairs stating the percentage of the veteran's service-connected disability and such evidence that reasonably identifies the disability as combat related, and a copy of the veteran's honorable discharge. If the property appraiser denies the request for a discount, the appraiser must notify the applicant in writing of the reasons for the denial, and the veteran may reapply. The Legislature may, by general law, waive the annual application requirement in subsequent years. This subsection shall take effect December 7, 2006, is self-executing, and does not require implementing legislation.

BE IT FURTHER RESOLVED that the following statement be placed on the ballot:

CONSTITUTIONAL AMENDMENT

ARTICLE VII, SECTION 6

Amendment 2 (with title amendment)—Remove lines 1085-1087 and insert:

73 or section 79 of chapter 2011-139, Laws of Florida, or section 24 of this act. This section applies retroactively and is effective as of June 2, 2011.

Section 24. (1) Any building permit, and any permit issued by the Department of Environmental Protection or by a water management district pursuant to part IV of chapter 373, Florida Statutes, which has an expiration date from January 1, 2012, through January 1, 2014, is extended and renewed for a period of 2 years after its previously scheduled date of expiration. This extension includes any local government-issued development order or building permit including certificates of levels of service. This section does not prohibit conversion from the construction phase to the operation phase upon completion of construction. This extension is in addition to any existing permit extension. Extensions granted pursuant to this section; section 14 of chapter 2009-96, Laws of Florida, as reauthorized by section 47 of chapter 2010-147, Laws of Florida; section 46 of chapter 2010-147, Laws of Florida; or section 74 or section 79 of chapter 2011-139, Laws of Florida, shall not exceed 4 years in total. Further, specific development order extensions granted pursuant to s. 380.06(19)(c)2., Florida Statutes, cannot be further extended by this section.

(2) The commencement and completion dates for any required mitigation associated with a phased construction project are extended so that mitigation takes place in the same timeframe relative to the phase as originally permitted.

(3) The holder of a valid permit or other authorization that is eligible for the 2-year extension must notify the authorizing agency in writing by

December 31, 2012, identifying the specific authorization for which the holder intends to use the extension and the anticipated timeframe for acting on the authorization.

(4) The extension provided for in subsection (1) does not apply to:

(a) A permit or other authorization under any programmatic or regional general permit issued by the Army Corps of Engineers.

(b) A permit or other authorization held by an owner or operator determined to be in significant noncompliance with the conditions of the permit or authorization as established through the issuance of a warning letter or notice of violation, the initiation of formal enforcement, or other equivalent action by the authorizing agency.

(c) A permit or other authorization, if granted an extension that would delay or prevent compliance with a court order.

(5) Permits extended under this section shall continue to be governed by the rules in effect at the time the permit was issued, except if it is demonstrated that the rules in effect at the time the permit was issued would create an immediate threat to public safety or health. This provision applies to any modification of the plans, terms, and conditions of the permit which lessens the environmental impact, except that any such modification does not extend the time limit beyond 2 additional years.

(6) This section does not impair the authority of a county or municipality to require the owner of a property that has notified the county or municipality of the owner's intent to receive the extension of time granted pursuant to this section to maintain and secure the property in a safe and sanitary condition in compliance with applicable laws and ordinances.

Secretary Kurt S. Browning
2012

February 16,

Secretary of State

Dear Secretary Browning:

By the authority vested in me as the Governor of Florida, and under the provisions of Article III, Section 8, of the Constitution of Florida, I do hereby transmit House Bill 7051 with my signature, enacted during the 44th Session of the Legislature of Florida, convened under the Constitution of 1968, during the Regular Session of 2012 and entitled:

An act relating to rules Establishing Numeric Nutrient Criteria; which exempts from legislative ratification, numeric nutrient criteria rule amendments proposed by the Florida Department of Environmental Protection that comply with the federal Clean Water Act, and have been approved by the Environmental Regulations Commission.

This action will expedite the review by the U.S. Environmental Protection Agency, of the Florida Department of Environmental Protection's proposed rule amendments, which may result in the approval of the proposed rule amendments and preempt the implementation of the U.S. Environmental Protection Agency rules, which are scheduled to take effect on March 6, 2012.

For this reason, I hereby sign into law House Bill 7051.

Sincerely,
RICK SCOTT
Governor

Excused

Reps. Garcia, Snyder, Steinberg, T. Williams

Adjourned

Pursuant to the motion previously agreed to, the House adjourned at 5:04 p.m., to reconvene at 1:00 p.m., Friday, February 24, 2012, or upon call of the Chair.
